Church Planting Training in Koboko, Uganda

Kenneth with Bishop Alex

A New Missionary!

Kenneth, the very tall man in the photo, is a graduate of the 'Church Planting Training' and is also very active in teaching and training others! We were so encouraged to learn that Kenneth's passion for Christ has now led him to serve as a missionary to South Sudan and Eastern Congo. Praise God for His work in Kenneth's life.

Empowered & passing it on!

Last year 'Serving Christ' was able to empower Monica with an agricultural project. She planted maize and successfully harvested a good yield. Monica was able to sell some of the maize for seed and used the income to begin a fabric selling business, which is sustaining her very well. In appreciation and thanksgiving to God, Monica has pledged to invest some of next year's harvest into the 'Serving Christ' ministry.

Praises & Prayers

Praise God for His transforming power in changing lives through the 'Church Planting Training'.

Pray for God's provision to help sustain this very important Training locally in the East Africa context through businesses, and local entrepreneurs like Monica.

Pray also for God's provision through businesses, company's, foundations, and folks here in Canada and the US.

Pray for the 'Serving Christ' Team as they serve the Lord through this ministry. They need God's protection, wisdom, health, and guidance as they shine the light of Christ in the East African context.

What a blessing to celebrate our Risen Saviour with our daughter and granddaughter!

With gratefulness and praise for your partnership in what GOD is doing!

Thank you so much,

Gord & Sharon Skopnik
